## High Tied

I'm a 22-year-old nymphomaniac who is into all sorts of sex. My favourite thing is being tied up and fucked. My boyfriend loves tying me to the bed and then having his way with me. Sometimes he blindfolds and gags me too, which I love.

Last weekend my boyfriend and I planned a night of hardcore fucking. We unplugged the phone, drew the curtains, cracked open a bottle of wine and put on a porno.

After a while my boyfriend got his cock out and told me to suck it.

I did as I was told, kneeling in front of him and sucking his hard pole for all I was worth.

Soon he was pulling my hair and telling me he was about to cum. I sucked even faster, anticipating a throatful of salty sperm. When he came I milked his balls dry, swallowing every last drop.

Then I led him upstairs and told him to lick me out till I came. I lay on the edge of the bed with my legs high in the air.

He buried his face in my pussy and hungrily lapped away.

I started flicking my clit when I came close to orgasming. This sent me over the edge and with a squeal I came, my cunt contracting madly and showering his face with juice.

That was all foreplay leading up to the main event. This was how we often did it. I trembled with excitement as I waited for the order.

"Get on your hands and knees and stick your arse in the air!" he said. As I did exactly as I was told I could hear the ankle and wrist cuffs clunking together in his hands.

I felt him roughly pulling at my arms so my wrists were alongside my ankles, my legs well spread. Then he fastened my wrists and

**£150**

**£50**

**PER PIC**

ankles into the cuff so they were bound together.

I was totally at his mercy with my face in the pillow, my arse right up in the air and my arms and legs strapped together.

Then he made me beg him to fuck me. I cried out, imploring him to shove his big hard cock right up my juicy snatch.

Finally I got what I wanted, as he drove his cock right up in one go. I moaned in delight as he started fucking me deep, fast and hard.

I was so turned on being his sex slave that I came straight away. "Now I'm going to fuck you up the arse!" he said.

I braced myself for an arse pounding as he lined up his cock.

Then he slid it up my tight ring and began slamming into me.

Eventually he pulled his cock out of my stinging arse and shot his load all over my arse and pussy, before loosening my bonds and letting me suck the cum off his sock.

Karen, Leeds.

### UP IN CAUGHT!

Victoria Summers plays a randy schoolgirl (ahem) who gets caught noshing off a friend by her step-brother. Can you guess how she manages to stop him snitching on her? That's right, she's soon slurping away on her step-bro's old chap, but their relationship soon turns a bit deeper than that as she gets a good seeing-to in the living room. Bit of a dodgy set-up, but an energetic scene to start with, and after that things tick along nicely in this flick. Spanish tart Amarna hooks up with stud Antonio Black for a filthy fuck that sees her dribbling jizz down her chin at the end, while boob lovers will enjoy the pairing in which tattooed Jordana Fox delivers a cracking tit-wank before the main event. Available from you local sex shop.

### GRAN DESIGNS!

You've got to take your hat off to Britain's top GILF, Lacey Starr! She clearly fancied a career change a few years back and decided that nookie was the way to go, and since then she's barely looked back! First up she's interviewing Asian cutie Amyka, and a very friendly interview it turns out to be, with Lacey getting stuck into her young pal's massive boobs before they retire to the bedroom and sort each other out properly. Lacey and Valentina share a cock next, with suitably filthy results as the glamorous GILF slurps jizz off the younger girl's twat. There's loads more, proving once again that there's many a fine tune played on an old fiddle! Available from your local sex shop.

### Dear Julia

There's no finer feeling than getting my latest copy of Escort home and discovering that it features the talents of a brand new model, revealing all in the magazine for the first time at the start of what (I hope!) will be a long and fruitful career – and Lacey in your latest issue was the perfect example? What a naughty, cheeky expression she had on her face as she stripped out of her lingerie set and fingered that delicately petaled pussy-hole, her tight, puckered bum on full display as well, just daring a stiff prick to delve deep into her tight back passage! Please pass on my undying admiration for Lacey, and make sure you feature plenty more of her from now on!

Gareth, Southall.

## DEAR JULIA

### Dear Julia

I have to confess that one of the first things I turn to in your magazine is the star wife pictures, and I'm always thrilled to see such brazen behaviour from the horny women of this country – especially the ones of a 'certain age'! Georgie was fantastic in Volume 38 Issue 4 – I bet when she was younger she looked a lot like Paula Wilcox from Man About the House (anyone out there remember that?!), who I had a massive crush on during my teenage years. And then in the next issue we were treated to an eyeful of the magnificent Cherry getting up to some bathtime fun with her massive milkers! I love the fact that, unlike professional models, these women will be posing for their husbands or boyfriends, so that when the snapping's over you just know they'll both be feeling so horny they won't be able to resist getting down to business! I've got a pretty good idea how Cherry's old man must have been feeling as she posed in the bath with her tits all covered in the creamy soap, and I'll bet a pound to a dozen that it didn't take to long before he had his aching prick wedged between them and was adding a creamy covering all of his own, the lucky git! Tony, Aberystwyth.

Cherry bomb!

## Double Your Mummy!

What better gift for a randy MILF who won't see 40 again than a couple of hard-cocked studs to play with all by themselves? Certainly

the six sposhers here make the most of the opportunity, sucking and fucking their ways to a double facial of goo. Special mention has to go to anal-tastic Tahnee, statuesque Desiree and the admirably flexible yoga fan 51-year-old Jenna. Top MILF fodder from start to finish! Available from your local sex shop.

If there's one thing legendary woodsman Rocco Siffredi doesn't need it's a stroker like this – he's got nubile wannabees

queuing up to take a ride on his famed prong! – but nevertheless, the Italian stud's had a hand in the design, and you can see how swish and Italian it looks! The ribbed silicone sleeve, once lubed-up, isn't half a bad approximation of a genuine pussy, and the air-pressure adjustment means you'll be blowing your load right on cue – just like Rocco himself, in fact!

# REAL WIFE SEX

*Demi's marriage gets a shot in the arse...*

**I grabbed his cock, getting off on eating it and giving it a good lashing with my tongue...**

**L**ast year my marriage had been going through a rocky patch and it looked like we were on the brink of calling it a day. Apart from anything else my (older) hubby's libido was flagging and I'd been getting more and more frustrated. Little did I realise the answer to my problems was to come from a very unexpected quarter. An old friend of mine dragged me to a party, accusing me of needing to get out more and insisting that I ought to let my hair

down. The party was good, it was busy and lots of talking dancing and drinking took place, you know – the usual. Still, I was getting pretty tired but my friend didn't want to leave so I waited for her to avoid the long walk home alone in the dark.

Then out of the corner of the room a complete stranger quite unexpectedly walked up to me and started nuzzling my neck. Secretly it had been what I was craving and I moved in for more, not even bothering to make any conversation first. Before long we were snogging each others' faces off in full view of everyone. Wanting some privacy, I suggested we go upstairs to one of the bedrooms.

As soon as we were on our own our arms flailed across each others' bodies, madly finding and feeling those hard and soft protruding lumps of flesh so sensitive to touch.

He was hard and I was wet. His salivating mouth tasted so good I wanted to eat him alive. He started manoeuvring me towards the bed. No, I thought to myself, I can't go through with this, I was a good girl and I didn't want everyone at the party thinking I was a slut.

But my aching pussy urged me on. The pleasure was too intense, my will power melted away. And as he laid me on the

bed and seduced me my head was a flurry of bliss and floating clouds. I had surrendered totally and he slowly slid down my figure hugging jeans and snogged my pussy, slurping and gulping like an excited puppy.

His fingers tantalisingly stroked me inside which drove me mad with passion as I wanted it hard. Then he drove his huge hard tool into my shaven pussy and drilled me good and proper leaving me gasping for breath and whining like a dog. I was screaming with ecstasy.

I orgasmed in gushing waves, my body seizing up on the point of climax then relaxing, releasing creamy gushes of cream. I had been a tense little bunny of late and the frustration and tensions of life and lack of sex fell away from me in buckets. I was floating in heaven, sedated, ready and willing for anything.

This was his moment, he looked at me the devil dancing in his eyes, I loved that wicked look and my nipples went rock hard. I grabbed for his cock, getting off on eating it and giving it a good lashing with my tongue. As he kneeled on the bed I held his cock with both hands slurping and licking while looking in to his eyes.

It drove me wild sucking that cock and I grew damper and wetter. All goodness had left me. I resolved that I was a very naughty girl indeed, a tart in fact and I liked it. I offered him my arsehole, teasingly looking over my shoulder, ready for the taking.

I'd never taken it up the bum before, but I felt so erotic, so turned on and dirty that I wanted to award the prize of my anal virginity as a token of appreciation for all his good work.

Of course, who was he to decline and as he moved in on me I gritted my teeth. I both wanted it but felt scared. The trophy had been offered and now there was no going back. I tried to avoid his shaft by poking my bum out of the runway course at the last second. This only served to make him hornier and determined to fuck my rear.

He found the entry and seized his opportunity and rammed his manhood home before the moment was lost. He pushed into me as far as he could go and it hurt like hell. Oddly enough the sensation of burning pain and pleasure turned me on immensely and I liked the feelings of eroticism it triggered within me.

He slowly withdrew his cock, it glistened and throbbed in the candlelight and looked enormous, the veins stood out and it was clear he was as aroused as he could be.

I was gasping to get my breath back, but equally anticipating what he was about to

do next. Unspent, he drove his prick back up my arse with the same ferocity he had originally breached it with.

For the next few minutes he hammered away at my behind. My feelings went to both extremes until I started to appreciate the finer sensations an arse fucking entails. It must have been much the same for him as a few more powerful strokes were succeeded by a sudden freeze. He groaned and then I felt my back passage being pumped full of his seed.

We both collapsed on to the bed and devoured each other with our lips savouring each others' skin and erected bodily parts over and over again until we both lay in an exhausted tangle of legs and arms.

Now I cheat on my hubby about once every couple of months. What he doesn't know won't harm him, and at long last my pussy (and arse) are getting the attention they've been craving!

## A Laura Laura Laughs

I have to write and tell you what happened the other Saturday night when me and my boyfriend went out with another couple, Laura and Dave.

We got completely drunk and at the end of the night we went back to Laura and Dave's house for more drinks. We were all sat with our drinks when Dave suggested putting some porn channels on satellite.

After watching for 5 or 10 minutes I could see the bulge in my boyfriend's jeans. Then he slid a hand up my skirt and past my stocking tops.

He started to rub my aching pussy through my knickers.

This really turned me on. It must have

turned on Laura, too, because she came over and released Dave's throbbing hard-on.

She began to suck his swollen cock. Seeing this turned me on even more so I bent over and released my boyfriend's boner and began to suck it really hard.

As I was bent over Dave began to rub my exposed arse, then my pussy. He pulled my soaking knickers to one side and slid a finger inside me, then two and soon I had three of Dave's fingers up me.

Laura stripped off and we were all naked apart from me, as I kept my stockings on because this always turns my boyfriend on. He encouraged me to make a move on Dave so I started to fondle Dave's cock.

02. CLAIRE

Then my boyfriend pushed my head down onto Dave's hard cock, which I began to vigorously suck. My boyfriend went over to Laura, who was fondling my tits, and began to rub her pussy.

Before very long they were fucking doggy-style on the floor. Seeing my bloke shagging another woman got me so excited I climbed on board Dave and began to ride him.

After a while Dave told me to get on my hands and knees next to Laura.

He then got behind me and started to fuck me doggy-style.

He was fucking me really hard and as he did so he worked a finger up my tight

arse. This made me let out a little yelp.

It felt really good having both holes probed – what I wanted now was to have two cocks at once.

Dave lay on the floor and I straddled his big cock. I leaned forward to allow my bloke access to my arse. It took a while to get all his cock up my arse, but once it was in it was sublime.

It wasn't long before I was cumming.

Dave said he was about to cum and then flooded my twat with warm sperm.

This got my man going and he started pumping like a man possessed. Before long before he filled my arse with his juice.

Both men's spunk was running down my stocking tops. Laura came over to me and started licking off the cum. Then she probed my pussy for even more, which really got me going.

This sight got the boys hard again so we carried on shagging. I now have regular sessions with Laura.

Claire, Yorks.

**We're all for keeping in shape here at Escort — there's nothing like working up a good sweat to keep everything in working order! And the best way to work up a good sweat is surely to watch a gorgeous girl like Lulu getting off her exercise bike, stripping off and having a little fiddle!**

**"Well at least you're getting some sort of work-out then!" she grins, "but for me it takes a bit of effort before I can work up a good sweat! I guess I'm quite fit..."**

**You certainly are, love — no doubt about that!**

Cherry blossom's always a welcome sight after a long, chilly winter, but this Cherry's blossomed in a far more pleasing way! And she's clearly not one of those who won't go into the garden without an old pair of jeans and some wellies on – this lingerie set is the perfect look for a bit of horticulture!

"I'm not doing any gardening, thank you very much!" she insists. "Do you think I got all dolled up like this just so I could get all filthy?" Well, yes, we did rather hope so, actually...

A woman with long brown hair and a pink bow in it is posing in a garden. She is wearing a bright pink lace-trimmed bra and matching shorts, with a sheer pink cardigan draped over her shoulders. She is also wearing white lace garter straps. She is smiling and looking towards the camera. The background is a lush garden with green grass, some plants, and trees with autumn-colored leaves. The image is framed by a colorful geometric pattern on the left and right sides.

## Theresa crowd!

**I**t's always been my randy wife's fantasy to be watched while fucking, and a few nights ago we made it come true!

She came downstairs one night in a sexy red dress and said she wanted to go for a drive so we could take some dirty photos and when she directed me to a local beauty spot well know for doggers I knew the dirty bitch was up to something.

She started stripping off while I took photos and before long a group of men had appeared and started looking in the car windows at my wife.

I couldn't believe what the dirty slut did next!

Knowing all the men were surrounding the car looking in at her, she spread her legs and eased the car's gear stick up her soaking wet cunt till she was totally impaled on it!

She started bouncing up and down on it and rubbing her clit at the same time until she was screaming

in ecstasy. Her juices were dribbling down her thighs and she orgasmed violently.

When she climbed off the gear stick it was soaking wet, then she got down on all fours and started licking all her fanny juice off it. The men watching were getting very exited and one stuck his bloated cock in through the open window and asked my wife if she wanted to suck it.

Theresa left the gear stick and took the guy's cock deep into her mouth and started sucking and slurping on it for all she was worth.

I was gob-smacked, but also incredibly turned on, so I positioned myself behind her and slipped my cock into her eager cunt and started fucking her for all I was worth.

The filthy slag was loving it and pretty soon her expert tongue had the guy emptying his balls into her willing mouth.

Immediately another eager cock entered her mouth and she started sucking on that too.

At the sight of my wife being used like that I couldn't hold on any longer and I shot my load into her twat.

By now the cock she was sucking on was ready to cum, so he pulled out of her mouth and exploded his cum all over her face.

I just couldn't believe my wife was letting all these men abuse her body like this

but she was loving it and to be honest so was I!

She was acting like some cheap whore, and after yet another man had spunked in her face she was dripping with seed but still demanding more!

Another man had climbed into the car and started putting his cock up her by now well-used fanny, but she obviously had other ideas!

She turned to him and gasped, "I want spunk in every hole – put it up my arse!"

He didn't need telling twice and using her cunt juice as lubrication he put his cock straight up my wife's arsehole.

She only let me do that as a rare treat, but the way she was bucking against his cock and screaming in ecstasy you would think she had it all the time!

So my slut of a wife had spunked in every hole, and the night finished with what I thought was the best bit – one of the men's girlfriends stuck her head in the window and proceeded to lick all the spunk from my wife's face!

My wife had six different cocks that night and she says she wants to do it again. But this time she wants cock in her mouth, fanny and arsehole all at the same time, and she fancies some proper girl an girl action too! Any takers?

Theresa, Lincs.
